**NxLevel FOR ENTREPRENEURS (EXISTING BUSINESSES)**

Sponsored by Blue Cross Blue Shield of South Carolina

The Technical College of the Lowcountry and Bluffton Chamber of Commerce have partnered with BizBuilderSC to announce a twelve-session workshop open to entrepreneurs who want to expand their existing business and need the skills to make it grow.

***NxLevel for Entrepreneurs (Existing Businesses)*** will be held at the Bluffton Chamber of Commerce headquarters at 217 Goethe Road, Bluffton, S.C., from 6 to 9 p.m., Wednesdays, March 6 through May 22. Cost is \$195 and includes book, materials and snacks.

BizBuilderSC is the statewide entrepreneur and small business training program that provides the framework and basic skills to develop and grow a small business. BizBuilderSC is the expansion of the successful FastTracSC program and is a direct result of increased demand for entrepreneur training across the state.

Trained facilitators, who are entrepreneurs themselves, take participants through an interactive process to help evaluate their business concept, set financial goals, identify marketing niche and needs, and build a business plan. With a track record of more than 1,600 graduates in 36 South Carolina communities, this entrepreneur training leads the way in helping entrepreneurs succeed.

To register for classes, call the TCL Continuing Education Department at 843-525-8205 or go to the BizBuilderSC website at <http://www.bizbuildersc.com>.
