

# County Council's Goals & Objectives

## 2007-2008 Goals Prioritized

### **Critical Goals**

1. Increase utilization/offerings at TCL-Hampton, particularly vocational courses
2. Increase economic development by having "shovel-ready" sites with water and sewer access
3. Consider revenue enhancement methods, such as adopting a county business license
4. Study consolidation of the two school districts
5. Establish a merit pay system for county employees
6. Study needed improvement on County buildings and grounds
7. Lower property taxes

### **Important Goals**

1. Support efforts to expand existing industries
2. Resolve the airport issue
3. Explore county-wide zoning
4. Update housing study
5. Work with municipalities on intergovernmental issues
6. Prioritize council issues and act on them

### **Other Goals**

1. Lower water and sewer rates at Lowcountry Regional Industrial Park
2. Increase participation on boards/commissions
3. Develop teamwork among council members
4. Adopt a mission and values statement
5. Conduct advance planning for Jasper port
